

**Call for Papers**  
**The Forth China International Conference in Macroeconomics**  
**(CICM2022)**

**June 19 - 21, 2022**  
**Shenzhen, China**

The forth China International Conference in Macroeconomics (CICM2022) will be held on **June 19-21, 2022** in Shenzhen, China (the exact format, online or onsite, will be modified according to the COVID-19 situation).

The conference is jointly sponsored and organized by Business School of Southern University of Science and Technology (SUSTech Business School), Tsinghua University PBC School of Finance (PBCSF) and China Forum of Macroeconomic Research (CFMR). The meeting is the forth annual conference organized jointly by the China Forum of Macroeconomic Research and collaborating academic institutions in the Greater China area. The conference is composed of regular parallel academic sessions in English, as well as a policy session where policy experts from China and other regions discuss and present their views on current issues related to the local and the global economy.

**FOUNDING CO-ORGANIZERS**

Tsinghua University PBC School of Finance (PBCSF)  
China Forum of Macroeconomic Research (CFMR)

**CO-ORGANIZERS**

Business School of Southern University of Science and Technology (SUSTech Business School)  
Tsinghua University PBC School of Finance (PBCSF)  
China Forum of Macroeconomic Research (CFMR)

**TOPICS**

We welcome high-quality academic papers in all areas of macroeconomics as broadly defined, especially research on Chinese macro economy. The topics include but not limited to, business cycles, economic growth and development, firm dynamics, income distribution and inequality, international trade and finance, labor market, macro-finance, monetary and fiscal policies, money and banking, networks, and structural changes. Only papers in English are accepted.

### **KEYNOTE SPEAKERS**

Per Krusell, Stockholm University

Xiaodong Zhu, University of Toronto

### **BEST PAPER AWARDS**

The program committee plans to select two conference papers for the following awards.

- CICM Best Paper Award: US\$2000
- CICM Best Junior Scholar Paper Award: US\$2000

Papers in all topics will be considered for the awards, but we give priority to job market papers and China-related research.

### **PAPER SUBMISSION**

If you are interested in presenting at the conference, please submit your paper at:

<https://editorialexpress.com/conference/CICM2022/>

The deadline for submission is **February 28, 2022**. Notification of acceptance will be sent by April 15, 2022. Each accepted paper will be discussed by a discussant. For each accepted paper, the conference will cover up to 3 nights of hotel accommodation for one author and the discussant.
